

Friday 24 August 2018, Melbourne

LaunchVic presents the second annual Yeah Nah Summit - showcasing the best of Victoria's startup community in a unique one-day event.

Hear from local founders on what they would do again and what they'd do differently (the yeahs and the nahs) if they had their chance all over again - pivoting on the theme of **building founding teams**. Is this an everyday event? Yeah Nah!

No matter what stage of the startup journey you're on, this summit is for you.
